

Networking Made Easy ‐ A Workshop for Professionals & Students

Networking isn't just for extroverts! In this fun, hands-on session, you'll learn how to build valuable professional

connections—even if you hate small talk. Walk away with practical tips, confidence, and a bigger network!

Veranstaltungsinhalte:

- * **Expert Guidance:** Led by Marco Strijks, an Impact Developer at Saxion University of Applied Sciences and a Diversity Ambassador at Great Humans, Marco brings a wealth of experience in creativity, and people-centric approaches. He believes in the importance of enjoying interactions as a foundation for further development, both professionally and personally.
- * **Interactive Sessions:** Engage in practical exercises designed to enhance your networking skills in various settings.
- * **Personalized Feedback:** Receive constructive insights to refine your networking approach.
